v.

Cause No. C07-1395 MJP

ORDER DENYING STIPULATED
ORDER CONFIRMING ARBITRATION
AWARD.

On May 19, 2009, Pinnacle and Singleton filed a stipulated motion to confirm an arbitration award. (Dkt. No. 48.) The parties proposed that the case remain open despite the successful arbitration and that judgment should only be entered if Singleton fails to pay. (Id. ¶ 8.) Because the stipulation proposes the Court retain jurisdiction absent a live case or controversy, the Court DENIES the motion. The parties may move for confirmation of the award and the dismissal of the case.

The Clerk is directed to transmit a copy of this Order to all counsel of record.

DATED this 28th day of May, 2009.
